

## Kate Weiser Chocolates, A Dallas Delicacy

Kate Weiser began her sweet journey early in life. As she grew, so did her extensive dessert cookbook collection.

Her move to Dallas brought many new and exciting experiences. After a brief stint at Stephen Pyles and an Executive Pastry Chef position at Nobu, Kate decided to hone in her skills on one thing: chocolate.

Kate began her chocolate career with an Executive Chocolatier position at Chocolate Secrets in Highland Park. While there, she was able to experiment and create a style of chocolate making that was new to the Dallas area. Her Hand-painted Chocolate Collection and artistic style quickly gained attention and excitement through the DFW metroplex.

She was named Top 10 Chocolatiers in North America by Dessert Professional Magazine in 2014 and will continue pushing boundaries to create new and unexpected ways of enjoying chocolate.

Thank you for all of your passion and hard work! Enjoy your holiday season and enjoy these gourmet chocolates courtesy of the AWS Professional Services team.
